J-90-10-32

IF NOT LOWEST, WHO WAS AND WHY WERE THEY NOT AWARDED:

EFFECT OF PASSAGE: W W Grainger has been the best supplier of parts for our facility in that they have or can get the parts needed within 24 hours at more than competitive prices. They have 3 or 4 houses that can get odd and standard pieces of materials needed in an expedious manner. We use these supplies for AC units, electrical, electronic equipment, some tools, valves, fittings, heating and ventilation materials as well as hardware and plumbing supplies. This price agreement will allow progress of repairs to be made immediately as compared to waiting for materials to do the job.

EFFECT OF NON-PASSAGE: Repairs are needed many times for emergency work and a price agreement has allowed us to get the job done expediously. Electrical and electronic repairs normally can not wait for parts to be ordered over a period of 4 to 6 weeks. This also applies to plumbing repairs and necessary parts repair for valves, pumps, compressors, and other equipment.

MONIES INVOLVED: W W Grainger $12,500.00 +/-
